Re: United States v. Raza Sikandar  
Indictment # 20 CR 582 (MKB)

Dear Chief Judge Brodie;

I write to respectfully request a brief adjournment of Mr. Sikandar's sentencing, now scheduled September 1. In view of the Government's extensive arguments in their memorandum filed this week, we will require some additional time to respond thereto.

We therefore respectfully request that sentencing be adjourned to September 21, 2022, at a time convenient to the Court. Based on conversations with my client, and given the issues raised, the hearing may take considerable time.

Thank you for your courtesy and consideration.

Respectfully yours,

**/s/ JOHN S. WALLENSTEIN**
